SUBJECT: KINSHIP CARE TRAINING

We are pleased to announce that due to the overwhelming response from counties and community based kinship support providers, the California Department of Social Services will provide additional training on the Kinship Guardianship Assistance Payment (KinGAP) Program and permanency options for relative caregivers. There will be two types of training:

- KinGAP Program Policy & Implementation -- three one-day workshops to provide technical assistance to counties and address implementation issues related to local program development. Trainings will be held on August 8, 2001 in Ontario, August 15, 2001 in San Jose, and September 18, 2001 in Sacramento. See Attachment 1.
- Permanency Options for Relative Caregivers -- three one-day workshops to provide county kinship care workers, community college trainers and Kinship Support Services Program staff with the knowledge and materials to develop permanency options presentations for relative caregivers. Trainings will be held on August 9, 2001 in Ontario, August 16, 2001 in San Jose, and September 19, 2001 in Sacramento. See Attachment 2.

The KinGAP Program was authorized by Senate Bill (SB) 1901 (Chapter 1055, Statutes of 1998) and modified by Assembly Bill (AB) 1111 (Chapter 147, Statutes of 1999) and AB 2876 (Chapter 108, Statutes of 2000). Twelve KinGAP Program policy and implementation trainings were held statewide between November 2000 and February 2001. The KinGAP trainings were well attended. Training participants shared with us how valuable and timely the trainings were

in addressing implementation issues and understanding legislative changes. The trainings provided counties with a forum to discuss KinGAP Program implementation challenges and to have questions and issues addressed.

If you have staff that did not have an opportunity to attend the previous KinGAP trainings, we strongly encourage counties to send staff to the KinGAP Program Policy & Implementation training. The Permanency Options for Relative Caregivers training is limited to county kinship care workers, community college trainers, and Kinship Support Services Program staff.

California State University, Sacramento will be handling the registrations. Please complete the attached Registration Form and fax to (916) 278-4865. Community College trainers, Kinship Support Services Program (KSSP) staff, and county Kinship Care Unit workers will be given priority registration for the Permanency Options for Relative Caregivers training. If you have questions regarding the trainings, please contact Denise Cooper, KinGAP Policy Analyst, at (916) 323-9381.

Sincerely,

SYLVIA PIZZINI
Deputy Director
Children and Family Services Division
